Creation Understanding

God: His conscious thoughts of creation-souls-world beginning with his conscious thoughts. All inclusive "eternal living life" for all of creation because He knew you before you existed.
You can say that God's judgement was implemented and a part of creation.

Jer 1:5

Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.

Eph 1:4-5

According as he hath chosen us in him before the foundation of the world, that we should be holy and without blame before him in love: Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will,

Rom 8:28-31

And we know that all things work together for good to them that love God, to them who are the called according to his purpose. For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren. Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified. What shall we then say to these things? If God be for us, who can be against us?

(See Also; Psalms 139:15-16, Isaiah 49:1, Isaiah 49:5)

From his thought, as stated above, his creation-Genesis is made manifest through his senses, becomes flesh, the flesh world, from His conscious thoughts. Made manifested from thought to flesh, created in his image and likeness. (Gen 1:26-27)

Since God foreknew you in your eternity. Because of the absolute love he has for every soul, his plan is complete or as scriptures state, it is finished, and eternal life-lives-creation lives on. (Gen 1-3)

God's judgement was implemented as part of eternal creation at creation.

With that perfect design and knowledge, God and his eternal now, (time is a construct of the flesh), eternal freewill for his souls is absolute and totally free.
Understanding judgement comes from the soul understanding how creation judges within itself.
God already "judging" eternity because judging is no more then implementing his perfect plan.
How can it not be perfect when it is eternal? How can their be an absolute failure when life is eternal?
Why would their be condemnation when failure brings learning experiences?
Why would God "kick against the pricks" within his own self? (Acts 9:5, 26:14)
Creation is Him, in him, from him, and through him.
